Weekly Tuition is due every Friday for the upcoming week. A late fee of \$35 applies for payments made after Wednesday. Non-payment of tuition will result in denial of services until balance is paid in full.

A security deposit equal to one week of tuition is due prior to your child(ren's) start date. The deposit will be held in escrow and used for your child(ren's) last week of enrollment as long as there were no lapses in payments and at least two weeks of notice is given.

There are no tuition reductions granted for absences, holidays, or weather related closings.

A 10% sibling discount will apply to the oldest child with understanding that the children are full time.

Tuition is subject to change during LCPS Winter, Spring and Summer breaks to cover activity costs.

Parents are responsible for bringing their child's breakfast and lunch. An afternoon snack is covered in the tuition cost.
